We are pleased to welcome Hannah Harper to the stage
at Praise Beneath the Stars!

Hannah Harper is a breakout artist whose debut on national television has already made waves across the music industry. Her original composition, 'String Cheese,' became an instant sensation, peaking at No. 21 on the iTunes charts immediately following her unanimous 'yes' from the celebrity judging panel. Having spent her life performing in churches across the United States, Hannah brings a seasoned vocal presence and a relatable, chart-climbing song writing style to the stage. As she advances to Hollywood, she remains focused on her mission to move people through the power of authentic, faith-based storytelling.

iCare4 Inc. is a 501C3 Non Profit
